PROBABLE CAUSE AFFIDAVIT

Defendant Name: Randall Scott Whited

Arresting Officer / ID: James Carver/20406

On May 30, 2020 at approximately 915pm at the intersection of Alabama Street and Market Street Officer Carver of the Indianapolis Metropolitan Police Department Event Response Group, was part of a squad monitoring a protest at that intersection. Several protesters kneeled in the street impeding traffic. Rocks, bottles and other debris was thrown at officers. The protesters were given several commands to move out of the street and leave the area after it was determined to be an unlawful assembly or face arrest. White Male Randall Whited DOB 09/15/1988 was given no less than 4 commands to desist and leave the area or he would be arrested. Whited refused and continued to kneel in the middle of the street. Officer Carver then attempted to arrest Whited. Officer Carver attempted to pull Whited to his feet and he resisted pulling away. Officer Carver then used leverage and forced Whited face down and attempted grab one of Whited wrists. White began screaming and aggressively pulling his hands into his body. At the same time Whited rolled to his back and grabbed onto Officer Carver's uniform pulling and tearing the uniform in several spots. Officer Carver was then assisted by two other officers, but due to every officer wearing gas masks, helmets and other protective gear as well as the chaotic scene it was undetermined which officers assisted. Eventually after several attempts to place Whited into cuffs, which he continued to actively resist by tightening up and pull his hands and arms away, he was successfully placed into cuffs. Even after being successfully cuffed Whited continued to resist. At one point Whited spit on Officer Carver and another time he began kicking officers kicking Officer Carver twice in the right upper thigh, causing pain. It was necessary to place Whited's feet into zip cuffs in order to subdue him from further violence. Whited told Officer Carver it couldn't have hurt because Officer Carver was wearing armor. Whited was to be transported by car due to the wagon being full, however MCSO Deputies were unable to get him into the car and called for another wagon.
