DREW BREES, PARTNERS OPENING 19-COURT PICKLEBALL CLUB IN NOBLESVILLE

The Picklr's Second Indiana Location (57,000 sq. ft.) Currently Under Construction

(NOBLESVILLE, IN) [The Picklr](#), North America's fastest-growing indoor pickleball franchise, headquartered in Kaysville, Utah, announced today that its 2nd Indiana club will celebrate its grand opening this fall. The Picklr Noblesville, located at 9847 Cumberland Pointe Boulevard, will be the 2nd of more than six clubs to open in the greater Indianapolis area. The 57,000 sq. ft. club will feature 19 indoor courts with high-quality outdoor-style surfacing, multiple event spaces, 3 championship-sized courts, permanent grandstands, and an upper-level viewing and lounge area. Club membership will include free court reservation, unlimited league play and in-house tournaments, and open play. Private coaching, clinics, youth academies, and private/corporate events are also available.

The Picklr Noblesville is a joint venture between Drew Brees' BV Pickleball Clubs LLC and Pickle Indy LLC, owned by Ron Brock and David Gilreath, local Indianapolis businessmen.

"Our vision is to create a community where people of all ages and skill levels can come together to play this fast-growing sport. Whether you are picking up a paddle for the first time or you're a seasoned player or pro, we will provide a warm, welcoming, premium quality environment to play and socialize," says Brees, The Picklr brand ambassador, area developer and franchisee, and co-owner of Major League Pickleball's Los Angeles Mad Drops. "This club is going to be the premier pickleball club in the Midwest, and we look forward to building the area youth program as well as attracting both amateur and professional tournaments."

"Noblesville is the second of at least six Picklr locations we will be opening in the Indianapolis area," indicated Ron Brock and Dave Gilreath. "With interest in pickleball exploding, we are excited to partner with Drew Brees and his local team on this Noblesville location and bring together more people who love pickleball for a top-notch indoor playing experience."

"The City of Noblesville, like many communities in the U.S., has seen a growing interest in pickleball. I'm grateful to Drew Brees, Ron Brock, and Dave Gilreath for choosing to invest in Noblesville as the next location for its pickleball franchise," said Noblesville Mayor Chris Jensen.

"In Noblesville, we prioritize the health and well-being of our residents, and this aligns with our goal to invest in the overall health of our community. In addition to the health benefits, this premium-quality facility will provide a positive economic impact, with the ability to host events of all sizes and bring visitors to Noblesville."

This club represents The Picklr's commitment to meeting the demand for top-notch indoor pickleball experiences while partnering with enthusiastic franchise owners who will support and nurture The Picklr's pickleball communities nationwide.
